

## U.S. MERIT SYSTEMS PROTECTION BOARD

### Case Report for February 10, 2023

**Note:** These summaries are descriptions prepared by individual MSPB employees. They do not represent official summaries approved by the Board itself, and they are not intended to provide legal counsel or to be cited as legal authority. Instead, they are provided only to inform and help the public locate Board precedents.

#### NONPRECEDENTIAL COURT DECISIONS

*Ferrell v. Department of Housing and Urban Development*, No. [2022-1487](#) (Fed. Cir. Feb. 9, 2023) (MSPB Docket No. DA-1221-21-0228-W-1) (per curiam) (affirming the Board's denial of corrective action in the underlying individual right of action appeal because substantial evidence supported its conclusion that the petitioner did not show that she made a protected disclosure or prove that her protected activity was a contributing factor in the agency's actions; also finding no merit to the petitioner's various claims of adjudicatory bias and procedural error).
